

18304 U.S. PTO

Applicant: Robert De Nyse
Title: Toilet Ventilation System

22388 U.S. PTO
10/720474

REQUEST FOR NON-PUBLICATION

Applicant for the above identified Application for U.S. Utility Patent entitled 'Toilet Ventilation System' hereby avers that the invention described and claimed therein **has not been and will not be** the subject of an application filed in another country, or under international agreement, that requires eighteen-month publication and hereby respectfully request non-publication of said Application.

Applicant respectfully submits, in support of the request above, that this request has been made **upon filing** as required by statute, is **conspicuous**, and possesses a signed certification below.

Respectfully yours,

Peter Gibson, Reg. #34,605

Peter Gibson, Authorized Agent of Record, Reg. #34,605

Certification

I, Peter Gibson, Registration Number 34,605, authorized agent of the above identified Application for U.S. Utility Patent entitled 'Toilet Ventilation System' do, with my dated signature below, certify that the invention described and claimed therein **has not been and will not be** the subject of an application filed in another country, or under international agreement, that requires eighteen-month publication.
